Dear Mr. Parker & Staff:

Happy New Year to ALL!!!!

I was truly delighted to receive the ornament to place my husband's picture on the tree for Christmas. The girls really appreciated their Wal-Mart gift cards for Christmas as well. I feel so blessed to have the care and concern of others throughout this difficult time in our lives. Just when you think everyone has forgotten about you, you all came through. It really meant a lot to me! It is so nice to know that others care about your family and continue to pray for us during such a difficult time. I know that your organization consist of individuals who also have lost precious love ones, and I will continue to pray for their continued strength. May God Bless You All!

Thanks so much!

Sincerely,

Deborah H. Teasley & Family
