

Dear Roger,

Thank you for the touching pictures
you took and sent to me.

I am sorry this thank you is long
overdue! I have been meaning to let
you know how much it means to me
that you made the time to get the
perfect photos for me during what I can
only imagine was a very hectic week for
you. It made the photos all the more
special because I know they were
taken with true compassion and
understanding. Thank you!

Since the day Dana died, C.O.P.S.
has been the only constant source
of help, comfort and guidance for my
family. It truly is a help knowing there
are people who understand and care.

If there is ANY way I can ever
give back I would be honored.

Thank you again. The photos
were better than I ever imagined. You
captured exactly what touched me
in the photos you took. Bless you

Darisha Dunkerton
